Professional Background

- Before joining the firm, Ms. Wang worked in the Beijing office of a leading international law firm for five years.

Ms. Wang has more than 10 years of experience in advising clients on all aspects of Chinese competition law, including merger control, administrative investigations, and antitrust compliance. She has advised clients in a broad range of industry sectors, including healthcare, automobiles, chemicals, consumer products and retail, real estate, container shipping, energy and natural resources, high-tech, infrastructure and transportation, and private equity.

REPRESENTATIVE MATTERS AND CASES

Antitrust investigation

- Advised an international pharmaceutical manufacturer on antitrust issues in its proposed cooperation with an online diagnostics and pharmaceutical distribution business
- Advised Eastman Chemical Company, a global manufacturer of chemical products, on the first abuse of dominance investigation initiated by the SAIC in the industry, as well as on an NDRC investigation into resale price maintenance
- Advised three state-owned port groups (Tianjin Port, Dalian Port and Yantian Port) on reaching favorable results in an NDRC antitrust investigation into alleged abuses of dominance
- Advised Medtronic, a multinational medical device company, in successfully obtaining reduced fines in an NDRC investigation
- Advised Chrysler, Daimler and Chang'an Ford in successfully obtaining reduced fines in three out of the five published NDRC resale price maintenance cases against multinational automobile companies
- Advised three multinational automobile companies in similar resale price maintenance investigations initiated by the NDRC
- Advised a leading global high-tech company in handling an SAIC antitrust investigation
- Advised Höegh Autoliners, an international shipping company, on the first successful defense against an NDRC cartel investigation in the PRC
- Advised a leading US toy manufacturing company on its defense against allegations by the local competition law enforcement that the company breached the PRC Anti-unfair Competition Law
- Advised a leading Swiss medical device manufacturer on responding to allegations of abuse of dominant position

in China

- Advised several multinational and Chinese domestic manufacturing companies on antitrust issues arising from their cooperation and distribution agreements
- Advised a multinational pharmaceutical company and several state-owned company groups in setting up their internal antitrust compliance programs
